## Terms and Conditions

The cattle offered in this sale are thoroughly healthy and are tested Federally for Tuberculosis and Bang's Disease. All papers necessary for shipment to the United States will be provided.

1. Proper care should be given by purchaser to protect breeding qualities and health of animals.

2. All bulls are guaranteed breeders. If bull when sold is 14 months of age or over and fails to breed, he must be reported within 6 months. If under 14 months of age when sold and fails to be a breeder, he must be reported by the time he attains the age of 20 months. A bull shall not be allowed to serve when under 14 months of age or be allowed to run with the herd when under 20 months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale, shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.

5. A certificate of registry in the Dominion Shorthorn Herd Book will be furnished with each animal. Any animal in this sale can be registered in the American Shorthorn Breeders' Herd Book.

As soon as cattle are sold, they are at owner's risk, but every care and attention will be given them and they will be loaded free of cost.

Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

6. The Foreign Exchange Control Board insists that in the case of cattle purchased for export to the United States of America, payment must be made in U.S. funds at the rate of exchange officially recognized by the Foreign Exchange Control Board at the time of payment.

## **A WORD FROM**

It is indeed a pleasure for Beath Farms to be again associated with Messrs. Deacon and Murphy Bros., in our Annual Auction. We all realize that our past successes depended, and future success will depend, entirely upon the calibre of the cattle offered. We, at Beath Farms, pledge our best efforts toward the maintenance of the high standards already set and feel that the 1949 offering will please the most critical.

We are not tabulating our pedigrees with footnotes as we feel that the cattle, when inspected, will speak for themselves. Suffice to say at this time, the three bulls offered are real herd bull prospects of modern type, colour, and possess dependable bloodlines.

The females, without a doubt, are among the very best we have ever offered for sale. When you visit the farm, we want you to see the top calves that are being produced by Beathton

## BEATH FARMS

Seal, Beathton Model and Kelburn Command. The sale heifers are the kind that make any established herd proud of being in the strong position of being able to offer them for sale. Our entire offering, with one exception, is composed of cattle bred at Beath Farms.

Our recommendation to you is to study this catalogue carefully, for in it you will find bulls that are destined to be improvers of the breed, likewise, you will find our females as fine a group of well bred animals as could be offered. Beath Shorthorns have found their way into herds of renowned breeders throughout Canada and the United States.

We again assure you that our 1949 offering will maintain our jealously guarded reputation of producing good cattle.

## Oakfield Farms Shorthorns

In the pastures at Oakfield

For the tenth consecutive year it is our pleasure to be associated with Glenburn Farms and Beath Farms in presenting our annual auction.

Every animal in our offering has been vaccinated under the Ontario Veterinary College plan of Calfhood vaccination, is Federally Accredited and has recently been inoculated.

We have derived great satisfaction and pleasure in producing these cattle and trust they will be a deciding factor in maintaining and increasing the popularity of the Shorthorn breed in North America.

The sole aim in the breeding programme at Oakfield Farms has been to improve and produce for sale, the best possible type of Shorthorn. In order to carry out this programme, one of the essential factors has been the selection of herd sires of the highest type, quality and breeding.

We extend a very cordial invitation to all Shorthorn enthusiasts to be with us at the October 3rd and 4th sales.

# GLENBURN SHORTHORNS

*"Easier to Buy Than to Beat"*

PASTURE SCENE AT GLENBURN FARMS

Last year it was our privilege to present our greatest and most successful sale offering to date. In it were sold the last group of the get of Robinwood Colonel and Klaymor Forester, featuring the service of our new herd sire, Phopachy Diplomat (imp).

The response of the buying public was more than gratifying, not because of the average alone but because of the uniformity of the prices which went to make up the average.

Our 1949 Offering, described by many critics as even better than last year, demonstrates the results of using Glenburn-bred bulls, Glenburn Legend and three sons of Robinwood Colonel, Glenburn Mandarin, Glenburn Marauder and Glenburn Medallion. Females of serviceable age have been bred to Phopachy Diplomat (imp) whose first calves may be seen in our pastures and pens.

Although a prolonged drouth has left our pastures barer than we have ever seen them, Diplomat has run with the herd all year, and has seen very heavy service. You are invited to inspect him and his calves, and to form your own opinion of their type, quality, and ability to survive such an unfavourable season.

We hope that as many of our Shorthorn friends as possible will be with us on sale day, when Beath Farms, Glenburn and Oakfield hold open house.

FOR REFERENCE ONLY

**PHOPACHY DIPLOMAT**—(Fop-a-key) the product of eight generations of MacGillivray breeding, was purchased for us by Mr. K. P. MacGillivray in the 1948 Perth sale where he placed 5th in the class which produced the 6000 guinea reserve champion. His sire was purchased for 4700 guineas at Perth. His dam carries the same top crosses as Kirkton Baronet, so successful as a sire and sire of sires. The first calves by Diplomat are here for your inspection and appraisal.
